### Wellbeing of staff and customers

**Exclude staff, performers and attendees who are unwell from the event.**

**Tell us how you will do this**

Before participating in any football activity, we have advised all players, team officials, parents/carers and other club members they must not attend training or matches, if in the past 14 days if they have:

- been unwell or had any flu-like symptoms, or
- been in contact with a known or suspected case of COVID-19, or
- any sudden loss of smell or loss of taste, or
- are at a high risk from a health perspective, including the elderly and those with pre-existing medical health conditions.

We have advised that they should check the NSW Government website for advice regarding the full list of symptoms associated with COVID-19 infection:

<https://www.nsw.gov.au/covid-19/symptoms-and-testing>

**Provide staff with information and training on COVID-19, including COVID-19 vaccination, when to get tested, physical distancing, wearing masks, and cleaning.**

**Agree**

Yes

**Tell us how you will do this**

We have worked with Football NSW to promote and encourage the use of the following resources and websites in order to obtain accurate information:

- Australian Government Department of Health: <https://www.health.gov.au/news/health-alerts/novel-coronavirus-2019-ncov-health-alert>
- NSW Government Department of Health: <https://www.health.nsw.gov.au/Infectious/covid-19/Pages/default.aspx>
- World Health Organisation: <https://www.who.int/>
- Australian Institute of Sport: <https://ais.gov.au/health-wellbeing/covid-19>
- Sport Australia: <https://www.sportaus.gov.au/>

Similarly, we have promoted the range of COVID-19 “campaign resources” produced by the Federal Government, including posters outlining hygiene practices (e.g. promoting thorough hand washing) found at:

<https://www.health.gov.au/resources/collections/coronavirus-covid-19-campaign-resources>

**Display conditions of entry including requirements to stay away if unwell, COVID-19 vaccination and record keeping.**

**Agree**

Yes

### **Tell us how you will do this**

We will display posters, distribute and “share” information about COVID-19 across our digital channels and at appropriate locations around our club house and venue.

Where appropriate, we will identify and address potential language, cultural and disability barriers associated with communicating COVID-19 information to players, members and other stakeholders.

In conjunction with our state governing body, Football NSW, we have developed and promoted amongst our members and stakeholders, a range of resources on COVID-19. These can be downloaded here: <https://footballnsw.com.au/covid-19-information/>

**Take reasonable steps to ensure all people aged 16 and over on the premises are fully vaccinated or have a medical exemption (including staff, attendees and contractors). For example, ensure posters outlining vaccination requirements are clearly visible, check vaccination status upon entry and only accept valid forms of evidence of vaccination, train staff on ways to check proof of COVID-19 vaccination status, remind customers of vaccination requirements in marketing materials. Guidance for businesses is available at: <https://www.nsw.gov.au/covid-19/businesses-and-employment/covid-safe-business/vaccination-compliance-for-businesses>**

**Agree**

Yes

### **Tell us how you will do this**

We have widely publicised that only fully vaccinated adults and people with valid exemptions can attend.

We have posters around our venue at the COVID-Safe check-in points reminding attendees that the vaccination requirements form part of the terms of entry, and notifying them of the acceptable forms of proof of vaccination.

Our staff and volunteers have been trained on ways to check proof of COVID-19 vaccination status (or a valid exemption) and what to do if someone refuses to be checked or is not vaccinated.

## Physical distancing

**Capacity must not exceed 1 person per 2 square metres of space of the premises in which the activity is conducted.**

Agree

Yes

**Tell us how you will do this**

Competition Administrators and club officials have considered the number of participants and fixtures so as to adhere to the maximum of 200 people per venue at one time for any 'COVID-19 safe outdoor gathering'.

**Ensure 1.5m physical distancing where possible, including:**

- **at points of mixing or queuing**
- **between seated groups**
- **between staff.**

Agree

Yes

**Tell us how you will do this**

We will encourage that only essential participants and parents/guardians should attend matches. Senior crowds should be minimised unless at a 'major recreational facility' where we will implement the Public Health Order and adhere to those guidelines relating to limited capacity, ticketing, spacing of spectators, the use of QR Code readers to record details of attending patrons and so on.

We will take the necessary precautions to minimise the risk of transmission including the dispersion of spectators around the perimeter of the pitch and across a range of viewing areas and designating the use of specific seats/areas that meet physical distancing requirements and erecting signage to advise.

We will encourage players and spectators to leave the facility as soon as possible following the conclusion of their training/games.

**Avoid congestion of people in specific areas where possible.**

Agree

Yes

**Tell us how you will do this**

We have multiple COVID-Safe check-in points to ensure that there is no congestion.

**Have strategies in place to manage gatherings that may occur immediately outside the premises and in any designated smoking areas.**

Agree

Yes

**Tell us how you will do this**

We will stagger arrival and/or departure times when possible for different groups and teams, and within the constraints of the venue design, manage entry and exit points to allow a seamless flow of players/coaching staff and parents/attendees through the venue to limit the risk of overlap and congestion.

**Where practical:**

- **encourage private transport options to minimise crowding on public transport**
- **coordinate with public transport to minimise COVID-19 risks associated with transportation to and from the venue if crowding may occur.**

Agree

Yes

**Tell us how you will do this**

We are encouraging people to take private transport where possible.

**Ventilation**

**Review the 'COVID-19 guidance on ventilation' available at <https://www.nsw.gov.au/covid-19/getting-back-to-work-a-covid-safe-way/ventilation-guidance> and consider which measures are relevant to your premises before completing this COVID-19 Safety Plan.**

**Tell us how you will do this**

Our club utilises the Service NSW QR codes.

**Processes must be in place to ensure that people provide the required contact information, such as by checking phones for the green tick to confirm they have checked in (keeping 1.5m physical distance between staff and patrons). QR codes should be clearly visible and accessible including at entrances to the event.**

Agree

**Tell us how you will do this**

We have posters around our venue at the COVID-Safe check-in points reminding attendees that the vaccination requirements form part of the terms of entry, and notifying them of the acceptable forms of proof of vaccination.

Our staff and volunteers have been trained on ways to check proof of COVID-19 vaccination status (or a valid exemption) and what to do if someone refuses to be checked or is not vaccinated.

**If a person is unable to provide contact details, for example due to age or language barriers, another person may provide contact details on their behalf. If it is not possible for check-in to occur, keep a record of the name, contact number and entry time for all staff, attendees and contractors for a period of at least 28 days. These records must be provided in an electronic format such as a spreadsheet as soon as possible, but within 4 hours, upon request from an authorised officer.**

However, additional contact details and time of entry must be captured if the event has sub-premises that are gyms, entertainment facilities, hospitality venues, nightclubs and retail premises.**
